Mont Sports Camp — a multi-sport destination for individuals, families, schools, academies, and organizations across Alexandria.

WHERE CHAMPIONS ARE BUILT.

SECTION 01 — EXECUTIVE OVERVIEW

A Growth & Systemization Phase

Mont Sports Camp (MSC) is a multi-sport destination providing sports academies, coaching programs, memberships, facility rentals, camps, and sports experiences for individuals, families, schools, academies, and organizations.

The objective is not simply more marketing activity — it is to transform MSC into a **scalable, data-driven growth organization** by integrating marketing, business development, technology, customer experience, and operations.

CURRENT STAGE

Growth & Systemization

- Operations and market presence already established
- Building a complete commercial ecosystem — not isolated campaigns
- Every future document (Blueprint, CRM, SOPs, KPIs, AI systems) is derived from this assessment

One Integrated Growth Engine

The founders' vision extends beyond social media management — a complete commercial ecosystem built from these components.

01 Growth Marketing	02 Business Development	03 Performance Marketing	04 Content Marketing
05 CRM	06 AI Chatbot	07 Website & Mobile App	08 SEO & PPC
09 Marketing Automation	10 Lead Qualification	11 Internal Call Center	12 Subscription & Documentation

From Awareness to Market Leadership

1

SHORT-TERM

FOUNDATIONS

- Increase awareness in the target market
- Generate qualified inquiries
- Grow academy subscriptions & memberships
- Increase court bookings
- Build the first CRM process
- Introduce AI-assisted customer service

2

MEDIUM-TERM

INFRASTRUCTURE

- Launch website & mobile application
- Establish measurable marketing funnels
- Create automated customer journeys
- Improve customer retention
- Expand business partnerships
- Create scalable reporting systems

3

LONG-TERM

MARKET LEADERSHIP

- Position MSC as a leading Alexandria sports destination
- Build a recognizable sports brand
- Create predictable customer acquisition
- Establish a scalable commercial operation
- Support expansion into new services & markets

Beyond Digital Marketing

The requested responsibility spans five commercial pillars — a full-stack commercial operation.

1

Marketing

- Growth & social media marketing
- Content marketing & media buying
- Performance marketing, SEO, PPC

2

Business Development

- Partnerships
- Revenue opportunities
- Market expansion & B2B growth

3

Customer Experience

- CRM & customer journey
- Lead qualification & follow-up
- Retention

4

Technology

- AI chatbot
- Website & mobile application
- Marketing automation, analytics & tracking

5

Operations Support

- Internal call center
- Subscription documentation
- Customer handover process

Who MSC Serves

SEGMENT A · B2C

Individuals & Families

Individuals and families seeking sports participation, fitness, and development.

GEOGRAPHIC FOCUS **Gleem → El Montazah**

PRIMARY NEEDS

- Learn a sport & join an academy
- Improve fitness & develop children
- Social interaction & competition
- Safe environment & professional coaching

SEGMENT B · B2B

Organizations & Partners

Organizations requiring sports facilities or collaboration.

POTENTIAL CUSTOMERS

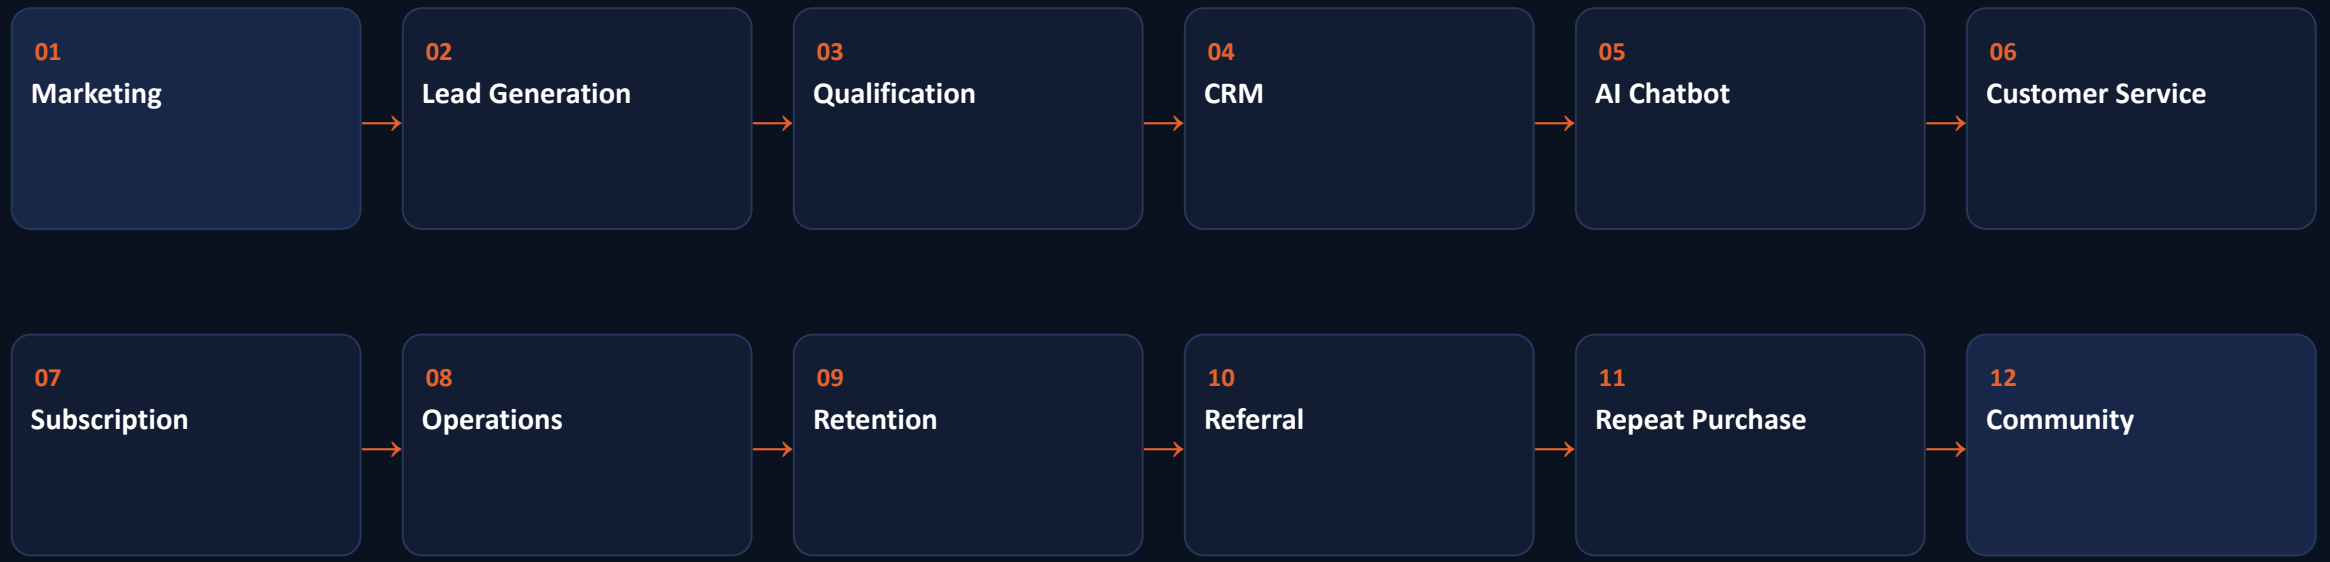

- Sports academies, clubs & schools
- Universities & coaches
- Tournament & sports event organizers
- Corporate organizations

PRIMARY NEEDS

- Facility rental & long-term court booking
- Event hosting & training locations
- Strategic partnerships

One End-to-End Customer Lifecycle

Not a simple lead-generation process — a complete journey from first impression to community.

Community feeds back into Referral & Repeat Purchase — sustaining a continuous growth loop.

SECTION 06 — CONTENT PRODUCTION

Baseline Monthly Output

Establishes the initial production capacity — refined over time based on performance data and campaign objectives.

10+

REELS PER MONTH

Short-form video content across Reels and social platforms

~15

STATIC POSTS PER MONTH

Educational, brand, and conversion-focused static content

Initial Funnel Proposal

A structured funnel for testing, optimization, and eventual scaling. Budgets are initial testing levels — allocation shifts toward top performers as data accumulates.

STAGE	PRIMARY OBJECTIVE	CONTENT FOCUS	INITIAL DAILY BUDGET
Awareness	Expand reach and brand visibility	Inspirational sports content	**150 EGP**
Lead Generation	Capture qualified prospects	Lead magnets & value-driven offers	**150 EGP**
Engagement	Build trust and educate	Educational sports content	**200 EGP**
Conversion	Drive WhatsApp inquiries & subscriptions	Offers, testimonials & clear CTAs	**300 EGP**

Total initial daily test budget: 800 EGP across four funnel stages — reallocated toward top-performing audiences, creatives, and objectives as data matures.

Three Phases of Infrastructure

PHASE 1

Foundation

- Meta Business Suite
- Facebook Page & Instagram
- WhatsApp Business
- Facebook / Google Forms
- Google Drive
- Basic reporting & manual CRM

PHASE 2

Measurement & Optimization

- Website
- Meta Pixel
- Google Tag Manager
- Google Analytics 4
- Enhanced conversion tracking
- Landing pages

PHASE 3

Growth Infrastructure

- AI chatbot
- CRM platform
- Marketing automation
- Mobile application
- Executive dashboards
- Customer self-service
